

100ft UltraFlat 18AWG Speaker Wire

Cables Unlimited: AUD-5400-99
UPC: 724580501466

DESCRIPTION:

Cables Unlimited UltraFlat speaker wire is adhesive backed and can be used on almost any smooth clean surface. This wire can be simply attached to a surface and left uncovered, or it can be easily covered with paint, wallpaper, spackle or floor coverings. No more pulling wire through walls and attics, or using ugly wire mold to hide wire where there is no wall or attic space.

FEATURES:

- No more pulling wire through walls and attics
- Adhesive backed and can be used on almost any smooth clean surface
- All you need are scissors and a screwdriver and youre ready to peel and stick
- Includes terminal blocks for easy connections to components and speakers.

SPECIFICATIONS:

- Cable Length: 100 ft.
- Cable Type: 18AWG, 2 Conductor, Flat Copper
- Port Connectors: Molex Terminal Blocks
- External Color: Adhesive Back w/ White Top
- Limited Warranty: 1 Year Against Defects
